THE STATE BUDGET CRISIS

Florida Held Hostage

-DAY 28-

**How many more days until State House Republicans Accept Florida's
Full and Fair Share of Federal Economic Stimulus Funds?**

TALLAHASSEE---President Barack Obama signed historic legislation on February 17, 2009 that would bolster the economy and put America back to work. Today, Florida House Republicans are still dodging the question that Floridians want answered:

Will House Republicans accept Florida's full and fair share of federal economic recovery funds that President Barack Obama and Democrats in Congress are providing to help rebuild our economy?

Florida House Democrats believe these federal funds targeted at Florida's infrastructure, workforce training, educational and Medicaid needs will create jobs and stimulate investment.
